Graded accurately & conservatively...from

NEW ENGLAND
RARE COIN GALLERIES

This is the largest selection we've ever offered. In fact, I can say without hesitation that we now have one of the largest stocks of choice and rare U.S. coins in the country.

By selling accurately graded coins at a fair market price, we have built up one of the largest mail order coin businesses in the industry. We intend to continue to deliver quality coins to our customers, and although we will always try to price our coins as fairly as possible, we will never sacrifice quality for the sake of price.

Those who have purchased quality condition U.S. coins in the past year, have more than likely realized a sizeable profit on their investment. Rarities and Quality condition coins have far out-performed average grade and semi-common coins in terms of value-gain this past year, as they almost always do. I have always recommended quality over quantity for investment, and probably always will.

I don't think this coin "boom" is over yet. Choice U.S. coins still have quite a way to go. Every day prices continue to rise. The longer you wait, the more you'll pay for the coins you need. The sooner you buy them, the sooner you will profit from your investment.

Some say that a year ago was the time to buy U.S. coins for investment. I'll bet they'll be saying that about today, a year from now too! Order those coins you need, today, and as always I recommend that you order them in the best grade you can afford. You won't be sorry.

He who hesitates is lost!

Sincerely,
Jim Halperin & the rest of
the staff at N.E.R.C.G.

UNSOLICITED TESTIMONIALS

The piece was pleasing. I am happy there are still some fair grading dealers around. Enclosed is my check.

A.S., Rockford, Ill.

Thank you for the wonderful quality and great service.

V.B., Imperial Beach, Cal.

As usual, I am most happy with your service and the coin. I am very pleased with the Pan-Pac half. Thank you.

J.O., Atlanta, Ga.

I received from you yesterday an 1875-CC 20¢ piece. I am writing to congratulate you on both the fine service you gave me and on the high quality of the coin... I am a conservative grader, especially when I am spending my own money. I must say that you graded this coin not only fairly, but also very conservatively. I have rarely obtained equal grading even when purchasing coins over-the-counter. I have never before written a letter of praise to a coin dealer. I am happy to do so now. You are a credit to the profession of numismatics.

G.G., Decatur, Ga.

Upon receiving my most recent purchases... I examined both coins carefully and found them to be just as claimed and both much to my liking. Since I have been introduced to N.E.R.C.G., I have been quite pleased with the very nice material you have sent.

A.C., Chicago

I am very pleased with the 1927-S Quarter and the prompt service. You have a new customer. Proper grading is hard to find.

S.W., Portsmouth, Va.

You have gained yourself a new customer by grading fair.

N.G., New Paltz, N.Y.

I placed an order with you and received the best coins ever by way of the mail. I almost gave up on mail order because of the processed coins. Keep up your grading - it's great!!

J.E., Chicago, Ill.
